

Must Have Mail Boxes.

People who live in cities and haven't mail boxes in front of their residence may receive no mail after June 30, 1910. They will not, if a provision of the postoffice appropriation bill becomes a law. Letter carriers are prohibited from delivering mail at any house unless there is a mail box on the outside to receive it. It means that Uncle Sam is tired of having his uniformed carriers wait for people to take their time in answering their door bells. It is expected this provision will greatly increase the efficiency of the service and possibly reduce the number of carriers required. A saving of \$400,000 is estimated. The vast expenditure by the people to meet the provisions of the bills in the way of providing new mail boxes is estimated at approximately \$2,000,000. The average mail box costs \$1.

MATRIMONIAL.

The marriage of Miss Cyrene Allen Smith, daughter of Mrs. Addie E. Smith, of the Avon neighborhood, to Mr. J. Howard Jefferson, was celebrated Wednesday afternoon at the residence of the officiating minister, the Rev. S. M. Jefferson, in Lexington.

Miss Smith graduated from Bourbon College in the class of 1908 and is quite accomplished. The attendants were Mr. Guy Smith, brother of the bride, and Miss Sarah Weathers, sister of the bridegroom.

After the ceremony Mr. and Mrs. Weathers were given a reception at the residence of Mr. and Mrs. Harry Skinner, after which they left for a short bridal trip to the South.

Blue Grass Schedule Accepted.

The directors of the Blue Grass League met at the Phoenix Hotel in Lexington Friday afternoon for the purpose of completing the arrangement of the schedule of games to be played by that organization during the coming season. The meeting was called to order by W. C. Ussery, President of the League. The schedule as presented by Tommy Sheets, of the Lexington Club, was accepted but with few changes.

During the course of the meeting President Ussery announced that he had signed two umpires, and said that he is after others. The two men signed are F. V. Laughton, of Wisconsin, who has umpired in the New York State Leagues, and Harry E. Taylor, of West Virginia, who has officiated in the South Atlantic and other leagues.

Those present at the meeting were: W. C. Ussery, President, Paris; I. S. Stewart, Winchester; A. Kuhn, Shelbyville; Ben Marshall, Frankfort; Frank G. Stagg, Frankfort; Judge J. J. Greenleaf, Richmond; J. H. Dean, Richmond; Tommy Sheets, Lexington; J. W. Bacon, Paris; A. F. Frendburg, Paris, secretary to the President.

NOTES.

The Winchester Democrat says: "Most of the clubs comprising the Blue Grass League are boiling over in the local newspapers of predictions of what they will do during the season soon to open. The Hustlers are taking no part in this wind jamming match, but are laying their plans to hold the pennant so gallantly won last season. A number of the best players of last year will be on hand and lines are out for new players whenever the team needs strengthening. The management prefers to say nothing until the time comes then the fans may rest assured that Winchester will have as good a team as there is in the League."

E. S. Graff, of Seattle, Washington, has accepted terms with the Paris club. He is well recommended and is a hard hitter and plays either first base or outfield.

STOCK, CROP AND FARM NOTES.

Brennan & Bramble sold their crop of tobacco, about 12,000 pounds, to Dan Peed at 12 cents.

W. H. Whaley sold a number of fresh milk cows at \$45 to \$60 per head, and a bunch of heifers at \$30 per head.

Miss Alice Lloyd figures that up to the present time about 70,000,000 pounds of Burley tobacco, outside of the pool has been sold. The Burley Society's holdings will probably amount to 120,000,000 pounds, she says.

In Montgomery, Clayton Howell purchased of W. T. Swango 40 acres of improved land near Ewington's Station on the Howard's Mill turnpike for \$100 per acre. The land is part of the Yates farm and was purchased by Mr. Swango one year ago at \$32 per acre. Possession of the place will be given today.

Auctioneer Geo. D. Speakes reports as follows the sale of personal property of the late Mrs. M. A. Varhook, made Friday at her late residence on the Peacock pike near Paris: Horses \$90; mules \$135 to \$165; cows \$35 to \$50; brood sows \$36 apiece; shoats \$11.50 each; corn \$3 a barrel, in crib; turkeyhens, \$350, each; gobblers 4.50; chicken hens 65 to 80 cents each; meat sides 15 cents a pound; hams 18 to 20 cents; lard 15 and 16 cents; hay, loose timothy, \$10; farm implements and household good sold well.

The 91 acre farm sold to W. T. Clark, of Montgomery county, at \$141.40 per acre. Possession today.

The nine hogs of one litter which brought A. G. Mathis \$411.28 on the Louisville market Friday will return their purchasers a much larger sum should they convert them into pork chops and lard. It has been estimated that the animals, after the disposal of every part, will be worth more than \$600. There will be 360 pounds of ham from the nine porkers and an equal amount of shoulders. The butchers will cut off about 35 pounds of pork loins. The entrails, cleaned for use for sausages, will tip the scales at 135 pounds, while the blood, which finds its use in sausages also, will weigh nearly 100 pounds.

The hams will be sold for \$100. Many housekeepers will pay the \$90 which will dispose of the shoulders. The amount of lard that will come from the hogs cannot be approximated but will be several hundred pounds, which will be sold at the rate of 14 cents a pound. The pigs feet will easily bring 5 cents apiece, because of their size. In addition to the lard the entrails will be steamed to obtain a variety of lard. Even the hair will be sold for use in making plaster. The packers of the record hogs have the option of using the squeal by bottling for use in automobile horns or by taking phonograph records.

At the pens of M. J. Murphy & Co., Saturday T. F. Dunlap and Son, of Versailles, sold 12 pair of mules at prices ranging from \$350 to \$435 per pair and single mules at from \$150 to \$210 per head; M. J. Murphy sold five pairs of mules at from \$385 to \$442 per pair; Earl Ferguson disposed of 146 head of hogs for a total of \$1,400, 125

shoats selling at from \$6.50 to \$9.30 per head; 19 brood sows sold at from \$20 to \$30 per head and two boars at from \$20 to \$25 per head.

School Suffrage Bill Defeated.

For the first time this session the report was made in the House of Representatives at Frankfort, Friday, to substitute a minority report of a committee and came within six votes of being successful, so a change of five votes would have changed the record.

H. J. Meyers, chairman of the committee on Suffrage and Elections, reported adversely House Bill 116, introduced by Eugene Graves, permitting women to vote in matters affecting the schools.

Col. R. D. Hunter, of Clark county, a member of the same committee, submitted a minority report, which Sidney G. Clay, of Bourbon county, moved to substitute for the majority report. His motion was seconded by Mr. Waggoner. After a parliamentary fight, in which, on motion of Col. J. P. Chinn, of Mercer county, the courtesy of a hearing was extended to Mrs. Desha Breckinridge, of Lexington, and an answer of her statement made by Mr. Meyers. Mr. Clay's motion was lost by a vote of 46 to 37. In view of the fact that it was the first time such a motion had been tried in the house and its success would be a direct repudiation of the report of the majority of the committee and that it was earnestly fought by the chairman of the committee, and Mr. Klair who is considered the ablest parliamentarian on the floor, there was general surprise at the large vote Mr. Clay's motion received.

Jumped Her Bond.

Mrs. Leonard Wood was arrested Sunday by Chief of Police Elgin charged with running a disorderly house on Winchester street. Giving bond in the sum of \$10 for her appearance in police court Monday morning she was released from custody. She failed to appear in police court yesterday morning and forfeited the bond.

Must Pay Fine.

The Court of Appeals Friday disposed of a rather noted case involving two prominent Madison county men. Judgment of the Madison Circuit Court, sentencing W. D. Oldham to pay a fine of \$500 was affirmed. Oldham was fined for cutting Boyd Waggoner with intent to kill. The men had a fight one night several months ago at Richmond.
